

## The 39 Pound Blues

Doc Steve Goldfarb

12-bar slow blues in G

[12 bar harp solo]

My baby's got the COVID-19, it's the worst thing I've ever seen  
My baby's got the COVID-19, it's the worst thing I've ever seen  
I'm going to take her to see the doctor  
Get her a shot of hydroxychloroquine

Doctor, doctor, please take a look at my wife  
Doctor, doctor, please take a look at my wife  
I think she's got the COVID-19  
And I'm worried for her life

[12 bar piano solo]

Doc looked her over, said I see just what you mean  
Doc looked her over, said I see just what you mean  
She spent the whole damned year with you  
And now she's got the COVID-19

[fast funky verses]

[quiet funky verses]

You poor, poor woman, you should be complaining plenty  
You poor, poor woman, you should be complaining plenty  
Take a look at him  
Looks like he's got the COVID-20

[24 bar funky guitar solo]

[12 bar slow guitar solo]

[12 bar empty]

You two go back home and thank the lord above  
You two go back home and thank the lord above  
As far as I can tell [stop]  
You've got 29 pounds of extra love
