

## Gimme Some Lovin'

Stevie Winwood, Muff Winwood, Spencer Davis

**16-bar blues in E**

**[rhythm, guitar intro]**

**[organ diddly]** Hey! (all vocalists)

Well, my temperature's rising and my feet are on the floor  
Twenty people knocking 'cause they're wanting some more  
Let me in, baby, I don't know what you've got  
But you'd better take it easy, 'cause this place is hot

Chorus

Well I'm so glad we made it, so glad we made it (backing vocals)  
You got to gimme some lovin' *gimme gimme some lovin'* (backing vocals)  
Gimme some lovin' *gimme gimme some lovin'* (backing vocals)  
Gimme some lovin' every day (backing vocals)

**[organ diddly]** Hey! (all vocalists)

Well, I feel so good, everybody's sounding hot  
Better take it easy, 'cause the place is on fire  
Been a hard day and I don't know what to do  
Wait a minute, baby, it could happen to you

**[chorus]**

**[organ diddly]** Hey! (all vocalists)

**[harmonica solo]**

**[organ diddly]** Hey! (all vocalists)

Well, I feel so good, everybody's getting higher  
Better take it easy, 'cause the place is on fire  
Been a hard day, but I'm feeling so good  
Now I'm gonna relax, honey, everybody should

**[chorus]**

**[organ diddly]**

**[abrupt end / start of Somebody to Love Light]**
