The night time is the right time
To be with the one you love
But, you know when night time comes, baby
You're so far away

I'm in the mood, in the mood
I'm in the mood, in the mood
Baby, I'm in the mood for love

To leave this man alone
But, my daddy didn't know
What this man was putting down

But, my mama didn't know
What this girl was putting down
