

# Little By Little

Mel London

12-bar Blues in A

## **[4-bar guitar intro]**

### **[4x riff in A]**

You stay out all night till the break of day,  
You stop up your ears to everything I say  
Little by little, I'm losing you, I can see,  
Bit by bit, your love is drifting away from me

What you doing, baby, you know it ain't right  
I wonder what you doing that it takes all night  
Little by little, I'm losing you, I can see  
Bit by bit, your love is drifting away from me

Ooh, baby that's the way I feel [x3]

## **[24-bar harp solo]**

### **[staccato verses follow]**

You look so disgusted when I try to kiss you  
I guess I don't thrill you like I used to do  
Little by little, I'm losing you, I can see  
Bit by bit, your love is drifting away from me

I tried to tail you last night sitting in my car,  
but I was scared that I would see what I was looking for  
Little by little, I'm losing you, I can see  
Bit by bit, your love is drifting away from me

## **[staccato ends]**

Ooh, baby that's the way I feel [x3]

## **[24-bar guitar solo]**

### **[24-bar piano solo, singing on last bit]**

Bit by bit your love  
Bit by bit your love  
Bit by bit your love is drifting away from me
