

Messin' With The Kid

Junior Wells

12-bar Blues in B

[singer intro followed by ker-thump]

What's this I hear
There's a whole lotta talk
The people say you tried to put the kid down
Hey hey, look at what you did
You can call it what you want
I call it messin' with the kid

Now the kid's no child
And I don't play
I say what I mean
And I mean what I say
Hey hey, look at what you did
You can call it what you want
I call it messin' with the kid

[24 bar harp solo]

You tell me you love me
You tell me a lie
You know I love you baby
Till the day I die
Hey hey, look at what you did
You can call it what you want
I call it messin' with the kid

[12 bar rap over music]

[24 bar guitar solo]

[12 + 24 bar bass solo]

I'm gonna take the kid's car
Drive around town
Tell everyone
You tried to put him down
Hey hey, look at what you did
You can call it what you want
I call it messin' with the kid

[refrain last line 3 times]

[thump thump]
