

# One Way Out

James Elmore, Marshall Sehorn, Aleck Miller

## 12-bar Blues in A

**[guitar starts, 12-bar intro]**

### Chorus

There ain't but one way out  
Lord, I just can't go out that door  
There ain't but one way out  
Lord, I just can't go out that door  
You see there's a man down there  
And he might be your man, I don't know

You got me trapped woman, up on the second floor;  
If I get by this time, I won't be trapped no more.  
Raise our window baby, so I can ease out soft and slow  
And lord, your neighbors down there, won't be talking about stuff they don't know.

**[12-bar harp solo]**

**[24-bar drum solo]**

**[12-bar round of guitar, bass, piano, harp]**

**[12-bar guitar solo]**

Lord, I'm foolish to be here in the first place,  
I know some man gonna walk in and take my place.  
Ain't no way in the world, I'm going out that front door  
Cause there's a man down there, might be your man I don't know.  
Cause there's a man down there, might be your man I don't know.  
Cause there's a man down there, might be your man (x3)I don't know.
