

Slow Down

Dwight Myers, Jesse Williams

12-bar Blues in G

[rhythm / guitar / piano / harp trill intro]

Chorus

Slow down, you know you're moving way too fast (x2)
You gotta gimme little loving, gimme little loving
If you want our love to last

Come on baby won't you walk with me
Come on baby won't you talk with me
Come on baby give me one more chance
We've got to save our romance
Slow down, you know you're moving way too fast (backing vocals)
You gotta gimme little loving, gimme little loving (backing vocals)
If you want our love to last

[piano instrumental]

Well, I used to walk you home, baby, after school
Carry your books home, too
But now you got a boyfriend down the street
Honey, what're you trying to do (backing vocals)
Slow down, you know you're moving way too fast (backing vocals)
You gotta gimme little loving, gimme little loving (backing vocals)
If you want our love to last

[harp instrumental]

Well, you know I love you, baby, tell the world I do
I need you pretty baby, why can't you be true
You know I want you, oh so bad
You're the prettiest little woman that I ever done had (backing vocals)
Slow down, you know you're moving way too fast (backing vocals)
You gotta gimme little loving, gimme little loving (backing vocals)
If you want our love to last

[guitar instrumental]

Slow Down (x4)

[abrupt ending – last note is first note of One Way Out]
