

# Yellow Moon

Neville Brothers

16-Bar Blues in G

**[Rhythm, Piano, Harp Intro]**

**[8-Bar Guitar Solo]**

Yellow moon, yellow moon  
Why do you keep peepin' in my window?  
Do you know something  
Do you know something that I don't know?

Have you seen my baby  
Walking down that railroad track  
Can you tell me  
If my girl is a coming back

Is she hid out with another?  
Is she trying to get back home?  
Is she wrapped up in somebody's arms?  
Is my girl crying all alone?

Can you tell me if she's missing me?  
Or is she having a real good time?  
Has she forgotten all about me?  
Or is my girl still mine all mine?

## Chorus

With your eye so bright and shiny (backing vocals)  
You can see the whole damn land  
Yellow moon can you tell me (backing vocals)  
Is my girl with another man?

Yellow moon, yellow moon, yellow moon (backing vocals)  
Have you seen that Creole woman? (backing vocals)  
Can you tell me  
Is she a friend of mine?

**[16-bar Piano Solo]**
